CC: Residents of Panorama Heights Neighborhood

From: Fran Fillerup, Acting County Manager *FF*

Date: March 13, 2019

San Juan County was advised today (3/13/19) that a vehicle had damaged a fire hydrant, causing the neighborhood of Panorama Heights to be without water for an undetermined time while repairs are being made.

In response to this issue, McGee Park (southwest corner of US 64 and County Road 5500) has opened its showers to the neighborhood during the hours of 6:00 am to 9:00 pm each day. Additionally, residents of Panorama Heights will be allowed to fill 5-gallon buckets to use for residential needs. The showers and water filling station are located at the McGee Park Pavilion.

If you need further information, please contact County Emergency Manager Mike Mestas at (505) 334-7700.
